

The Presidents

Instructions:

This printable was created to aid in learning the first 45 presidents of the United States in order.

Sing the list of presidents to the tune of "10 Little Indians." The grouping of presidents on the printable follows the phrasing in the song.

Print the page above and post it where you and your kids can review it regularly.

If the graphics are not all fitting on your printed page, adjust the scale in the print dialog box of Adobe Acrobat Reader. Start with 95% and adjust down as needed.
